In reading this week, we finished Extra-Good Sunday, a chapter from Ramona Quimby, Age 8. We also watched the same episode from the tv show. The kids enjoyed seeing the similarities and differences between the show and the book.

In math, we worked on under-

standing capacity and weight. We also learned about the prefixes in the metric system and equivalencies with capacity in the customary system.

In Social Studies, we learned how the Great Depression affected Michigan and how unions were started. We completed the chapter

and will review and test next week.

In Science, we finished our animal study and have begun the plant study.

We finally earned out 10th star and enjoyed the outing to Dairy Queen. Take a look at the pictures on the back of this newsletter!
